Dimensions: 9.0in. x 6.0in. x 0.5in.a selection from CHAPTER I THE FIGHT: You never would guess in visiting Cathedral Court, with its peoples hall and its public baths, its clean, paved street and general air of smug propriety, that it harbors a notorious past. But those who knew it by its maiden name, before it was married to respectability, recall Calvary Alley as a region of swarming tenements, stale beer dives, and frequent police raids. The sole remaining trace of those unregenerate days is the print of a childs foot in the concrete walk just where it leaves the court and turns into the cathedral yard. All the tired feet that once plodded home from factory and foundry, all the unsteady feet that staggered in from saloon and dance-hall, all the fleeing feet that sought a hiding place, have long since passed away and left no record of their passing. Only that one small footprint, with its perfect outline, still pauses on its way out of the alley into the great world beyond. At the time Nance Molloy stepped into that soft concrete and thus set in motion the series of events that was to influence her future career, she had never been told that her inalienable rights were life, liberty, and the pursuit of happiness. Nevertheless she had claimed them intuitively. When at the age of one she had crawled out of the soap-box that served as a cradle, and had eaten half a box of stove polish, she was acting in strict accord with the Constitution. By the time she reached the sophisticated age of eleven her ideals had changed, but her principles remained firm. She did not stoop to beg for her rights, but...
