

Kierkegaard for Beginners

Filesize: 9.76 MB

Reviews

The ideal ebook i actually study. It usually does not expense too much. You wont really feel monotony at at any time of your own time (that's what catalogs are for relating to should you request me).

(Mrs. Jacklyn Simonis)

Orient BlackSwan, New Delhi, India, 2007. Paperback. Book Condition: New. Reprint. Carl Gustav Jung merged Eastern mysticism with Western psychology, brought scientific respectability to religion, laid the foundation for 'the New Age', and is second only to Freud in influence and importance. So it is easy to see why some people consider him a genius. But others. Put it this way: Some people are so good that all we can do is look up to them. He was a great man who made great mistakes. The two most (in) famous events in Jung's life were his break with Freud and his sojourn with the Nazis. Most books on Jung minimize his Nazi period. Author and psychologist Jon Plantania, finds nazism too hideous to minimize, so he tells this part of the story without pulling any punches Platania then takes us on a tour to the work that made Jung one fo the Pillars of modern psychology. And what a body of work it is! Jung's open-mindedness was astonishing Wherever he went - Calcutta, Egypt, Palestine, Kenya - Jung learned something that expanded his views. His open-ended psychology incorporated yoga, meditation, prayer, alchemy, mythology, astrology, numerology, the I ching - even flying saucers! he taught us that psychology and religion can not only coexist peacefully together, but that thet can enhance us, inspire us, and help us complete ourselves. Printed Pages: 156.
