Reviews

*Very good electronic book and valuable one. It is actually written in basic words instead of difficult to understand. I discovered this ebook from my i and dad encouraged this publication to discover.

Kensington Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Laurenston has a gift with words and humor. --USA Today.com Just Roar And Bear It Growing up on the tough Philly streets, Gwen O Neill knows how to fend for herself. But what is she supposed to do with a nice, suburban Jersey boy who has a tendency to turn into a massive Grizzly? Despite his menacing growl and four-inch claws, Gwen finds Lachlan Lock MacRyrie cute and really sweet. He actually watches out for her, and unlike the rest of her out-of-control family, manages not to morbidly embarrass her. Too bad cats don't believe in forever. At nearly seven feet tall, Lock is used to people responding to him in two ways: screaming or running away. Gwen--half lioness, half tigress, all kick-ass--does neither. She's sexy beyond belief and smart as hell, but she's so busy protecting her family and friends that she's forgetting about her own safety. Lock probably shouldn't get involved, but he can't simply walk away. Not when Gwen means absolutely everything to him. Praise for Shelly Laurenston's novels Bear Meets Girl is hilarious, sexy fun. --Heroes and Heartbreakers Fast-paced action and smoking hot love scenes. --RT Book Reviews TOP PICK on Wolf with Benefits.
