Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.On a hidden archipelago, people known as Movers manipulate matter with their minds while strange Folds in space transform the landscape into wondrous and often deadly anomalies. When a young Mover named Michael Edwards discovers that he is descended from a long line of beings who can not only Move matter, but actually Create it, he finds himself at the center of a cosmic struggle for power. Manipulated by friends, family, and an ominous prophecy, he allies himself with a host of strange creatures and characters as he fights to become Mover of his own destiny. Heartfelt, witty, and tense, The Creator s Eye shreds metaphysical cliches to reach a thrilling climax that blurs the line between good and evil, will and destiny, and even time and space.
