John Wiley Sons Inc, United States, 2014. Hardback. Book Condition: New. 1. Auflage. 231 x 155 mm. Language: English . Brand New Book. Business Professionals, to be Truly Effective and Advance in their Careers, Must Master their People-Centric Skills. People-Centric Skills: Interpersonal and Communication Skills for Auditors and Business Professionals is a comprehensive guide to the soft skills that make technical professionals more effective. People-Centric Skills aim to improve all aspects of personal interactions, relationship development, and communication. These skills are as essential to success as are technical capabilities. This is the story of a leading internal audit department taking that next step to becoming a world-class audit organization in a fictional company. The foundation of that next step is developing their People-Centric Skills. The book demonstrates the impact that interpersonal and communication skills whether good or bad have on an auditor s effectiveness, job, and career. Readers will be able to empathize with the characters, and relate to the real-life situations in which they find themselves. Each chapter features a summary of key People-Centric points and guidelines that will help readers apply what they ve learned to their own projects and departments. In a 2013 study sponsored by the...
