Balboa Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When you see a tree, do you realize its importance in God s plan? When you look in the mirror, do you realize your importance in God s plan? It s time to consider the consequences of ignoring either. It s time to consider how everything is connected and interdependent. Here is a message of love, spiritually channeled to speak for animals, plants - all of God s creations. Offered from a canine perspective, this is a chance to view your world, and your place in it, from a different point of view. It is the perspective of absolute Divine love, honoring the worth of each individual and the interconnection of all of God s creations. We affect the lives of so many, often without being aware of it. Humanity must realize the responsibility we have for our actions. Are you ready to consider these ideas with an open mind and an open heart? This message is far too important for us to back away from. You are helping create our future, including the conditions of our planet for the generations to come....
