Her background is diverse, with former careers in interior decorating, the paralegal field, corporate offices, and currently real estate. She loves to sing, paint, outdoor sports, and obtained a private pilot s license. She fully believes what Proverbs 22:29 says: Do you see a man skilled in his work? He will stand before kings; he will not stand before obscure men. Everyone should strive for excellence in everything they do. Although this is her first book, she hopes it will not be her last.As the mother of 2 wonderful sons who were raised in the Christian faith, law school graduates, and are also politically involved, she felt led to argue the case for all Americans to realize Yes we are a Christian nation. Her older son has a successful political fundraising business which brings him in contact with many Presidents, politicians and notable people. Her younger son is northeast counsel for the ACLJ, the ADF and has a radio talk show. His eldest son just won the northeast division of the National Bible Bee. They home school their children and are very involved in church life and serving the community. They are not standing before obscure men.We think after you ve read this book, you will surely see how the hand of God has been woven throughout the fabric of all aspects of our society, history and culture. When you reach the end of the book the author hopes you too will decide - As for me and my house, we will serve the Lord. Joshua.
