Ambages Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Doorways to the Unseen: 6 Tales of Terror and Suspense is a horror short story collection from author James Dermond. The stories take the reader around the world and through time, with each story offering a glimpse into a supernatural episode. The synopsis from the book s back cover: Have you ever wondered what was behind a closed door? When visiting someone s home for the first time or when in a building you had never previously entered? The seemingly ordinary ligneous entryway with its peeling paint in an old house might hold secrets at which one could barely guess. Doorways to the Unseen presents six short stories to the reader which touch worlds beyond their daily reality, entering places seldom experienced. Places that are just as real, but rarely visible. A summer cabin on a lake which witnessed an untimely death. An attic storing an heirloom left behind as a warning to the living. The depths of a prison camp where the tormentors suddenly become the tortured. A small town engulfed in an unnameable madness. A setting from the mundane that is turned inside out. A monastery in remote mountains which shelters an ancient presence. So step inside and discern that which has been hidden from you all along. Where the unknown and the unimaginable meet.
