THE PASTOR S CADDIE -REVISED: A COMPANION FOR LIFE AND MINISTRY (PAPERBACK)

[DOWNLOAD](#)

Createspace, United States, 2015. Paperback. Condition: New. Revised. Language: English . Brand New Book ***** Print on Demand *****. The Pastor s Caddie aims to serve pastors in three ways. First, for pastors seeking continued growth as a person and a leader, The Pastor s Caddie will highlight some concepts and practices to apply. Taking time to work through the information and exercises will help pastors gain a greater awareness of themselves, their context and something of their potential. Ultimately, this may lead some pastors to connect with their own caddies for the journey. This book also serves as a resource for those who invest in fellow laborers. Judicatory ministers and experienced church leaders are positioned to enrich the life and ministry of other pastors. As ministers reach mid-life, they often look for younger or recently called pastors to mentor (or disciple) as a natural outlet for their own maturity, what Erik Erickson calls the life stage of Generativity vs. Stagnation. Pastors who invest their time and energy in the next generation experience personal growth for themselves in ways non-mentors do not. Pastors who reach out to other pastors in their community discover things about themselves and the people they seek to serve. This book provides helpful tools for mentoring, coaching or caddying others. Finally, this book aims to resource ministers learning communities. In a day of global connection, there is no excuse for a minister to live without ongoing connection with others who share similar challenges and dreams. When pastors support and accompany fellow pastors through difficult chapters of life, this connection diffuses stress and encourages personal growth. These communities are far more than a peer support group, taking one another s ideas and experiences to integrate and enrich both life and ministry.
