CreateSpace Independent Publishing Platform, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Kindle publishing has captured the imagination of aspiring writers. Now, more than at any other time in our history, an opportunity is knocking. Getting your books published no longer means sending out hundreds of letters to publishers and agents. It no longer means getting hundreds of rejection letters back. Today, you can write and publish your own books on Amazon Kindle without an agent or publisher. Everyone knows Amazon, and everyone trusts them. Within 24 hours of uploading, you can have your book available for sale on the world's best-known bookstore. Amazon will even do a lot of the promotion work for you. You need to give the promotion a little kick-start (covered in the book), but once the wheels are in motion, the Amazon engine takes over and they'll pay you up to 70% royalties on every book sold. No-Technical knowledge required My complete strategy for formatting, publishing and promoting your books on Kindle is documented in this book. It's what I did, and what I still do with every new book I release. You don't need to be a tech wizard, as each step is described in great detail with plenty of screenshots. If you can use a word processor, you can publish your work on Amazon! By following the step-by-step instructions in this book, you'll know how to: * Check if there is a hungry market for your book. * Find the best keywords and know how to use them to help your book rank higher in Amazon. * Estimate sales of other Kindle books. * Format your book as you write it, without having to buy any tools or hire someone to do it for you. *...
