DEVELOPING WEB APPLICATIONS

Wiley India Pvt. Ltd., 2012. Softcover. Condition: New. First edition. Developing Web Applications presents script writing and good programming practice but also allows students to see how the individual technologies fit together. It includes recent technical developments to provide a practical and modern introduction to building web applications. Assuming no prior programming experience, this concise, accessible book ensures that essential concepts on the client side are quickly grasped, and goes on to examine the server environment and available languages, including...
