Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Beyond the multinational corporation--even beyond the mega-corporation built from aggressive mergers and acquisitions--a new form of global business is emerging, and it is changing the competitive landscape forever. In his visionary book, *The Trillion-Dollar Enterprise*, Cyrus Freidheim offers a front-row seat to this seismic shift, through which a few dominant enterprises will control two-thirds of the global market in their respective industries. But they won't be corporations as we've known them. They will be vast networks of corporate alliances--global coalitions of independent firms acting in concert as single entities, and combining assets that exceed the entire output of many nations. Drawing from fifteen years of groundbreaking research at Booz-Allen Hamilton, Freidheim convincingly demonstrates that the rise of networks of this magnitude is natural and inevitable, as companies forego traditional--and riskier--methods of expansion in favor of alliances, joint ventures, and other collaborative arrangements that capture the best capabilities of the participants while avoiding the bureaucratic disadvantages of size. Already, we are witnessing the convergence in industries as diverse as telecommunications, aerospace, and commercial aviation into alliance networks, clustered...
