AN ASTRONAUT'S GUIDE TO LIFE ON EARTH (HARDBACK)

Pan MacMillan, United Kingdom, 2013. Hardback. Condition: New. Unabridged edition. Language: English. Brand New Book. Colonel Chris Hadfield has spent decades training as an astronaut and has logged nearly 4,000 hours in space. During this time he has broken into a Space Station with a Swiss army knife, disposed of a live snake while piloting a plane, been temporarily blinded while clinging to the exterior of an orbiting spacecraft, and become a YouTube sensation with his performance of David...

Reviews

It is one of my personal favorite books. It is one of the most incredible books I have ever read. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

-- **Giuseppe Mills**

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Mazie Johns IV**
