Iran Open Publishing Group, 2017. Paperback. Condition: New. Language: Persian-Farsi . Brand New Book ***** Print on Demand *****.bipAnAhihAye AhmAd pAnAhipour (The Vulnerabilities of Ahmad Panahipour) is a collection of the Iranian author Awat Pourabdolahi. Helplessness of Ahmad Panahipour is a simple but effective book which will make every reader ponder over the problems in the current society of Iran. These are problems which may not be visible to naked eyes; issues which are obscured by the large-scale international political games of the states and the politicians. The author rightly criticizes the indifference of the society towards the sufferings of the homeless and the helpless; the society's insensitivity towards art and poetry; and even insecurity. These are conveyed to the reader through very powerful comparisons and metaphors: a hospital teeming with patients dying of ghastly infections; a stinking dump; a bus full of insensitive and selfish people who do not even understand the language that two peddler kids speak; cockroaches eating a rotting body; and . The title effectively sets the tone of the book by employing an ironic pun on the words helplessness and Panahipour [which indicates providing shelter], so the one to provide shelter is himself in need of one.
