Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.

SWITZERLAND - EUROPEAN UNION: AN IMPOSSIBLE MEMBERSHIP? (1ST NEW EDITION)**DOWNLOAD**

European Interuniversity Press. Paperback. Book Condition: new. BRAND NEW, Switzerland - European Union: An Impossible Membership? (1st New edition), Rene Schwok, Lisa Godin-Roger, This study explains in an accessible manner the key elements of the relationship between the Swiss Confederation and the European Union. The author begins by summarizing the main steps in this special and evolving relationship which has long oscillated between membership and marginalization. He also guides us expertly through the thickets of referendums (no fewer than fourteen from 1972 to the time of writing!) in which Swiss citizens have been given the opportunity to pass judgment on the European question. Finally and perhaps most importantly, this volume explains why the Swiss still oppose joining the European Union. It examines the thorny questions of identity, reservations on policy matters (preserving neutrality, direct democracy and Swiss style federalism), not to mention doubts regarding the economy, which have done so much to shape public opinion and the official strategy of the Swiss Confederation. Paradoxically, the closer Switzerland gets to the EU through bilateral agreements, the more distant prospects of joining the EU seem to become. This is the conundrum at the heart of the relationship between the Swiss Confederation and the European Union which is expertly explored in this volume.
