SANTO DOMINGO. The following table shows the exports of the leading productions of the Republic of Santo Domingo for a series of years beginning with 1892, compiled from the latest official sources by the San Domingo Improvement Company: UNITED STATES. TRADE WITH LATIN AMERICA. STATEMENT OF IMPORTS AND EXPORTS. Following is the latest statement, from figures compiled by the Bureau of Statistics, United States Treasury Department, Worthington C. Ford, chief, showing the value of the trade between the United States and the Latin-American countries. The report is for the month of January, 1898, corrected to March, 1898, with a comparative statement for the corresponding month of the previous year; also for the seven months ending January 31, 1898, compared with the corresponding period of the fiscal year 1897. It should be explained that the figures from the various customhouses showing imports and exports for any one month are not received at the Treasury Department until about the 20th of the following month, and some time is necessarily consumed in compilation and printing, so that the returns for January, for example, are not published until March.
