STRANGE METAMORPHOSIS

Bloomtree Press. Paperback. Condition: New. 276 pages. Dimensions: 8.0in. x 5.0in. x 0.7in. The story of a boy's strange metamorphosis. Marcel Dassaud is a teenage boy of exceptional talent who is at a stage in life where he must decide between two paths, both of which have the potential for completely divergent outcomes. Reflecting upon his options, he finds himself uttering his contemplation to an ancient oak tree which, according to legend, possesses magical powers to impart great wisdom. Moments later he finds himself shrunken to the size of the bugs he once collected for sport! Forced to trust his instincts and follow his heart, he must complete his incredible quest before it is too late to return to his human state. A fantasy of astonishing depth and resonance, Monk's tale of self-discovery and escape from family pressures is as entertaining as it is fulfilling. His use of Marcel's metamorphosis as metaphor exposes the weird and wonderful world that exists right under our feet. Winner of the The Eloquent Quill Youth Fiction Book Award. Winner of the The Literary Classics Best Fantasy Award. B. R. A. G. Medallion Honoree. Reviews: Powered by an adventurous plot filled with humor, Monk's novel combines a fable-like tale of talking insects with an adventure quest and a coming-of-age story. Marcel's human-to-insect metamorphosis intriguingly parallels his transformation from a boy to a young man who must make life-changing decisions and follow his own path. An engaging, clever YA adventure about a boy's journey into young adulthood. - Kirkus Reviews When Paul C. R. Monk set out to write his debut novel, he did so with the flourish and finesse of an established author. His book, *Strange Metamorphosis*, is as rich and layered as a buttery croissant and just as gratifying to devour. Seasoned with sage tidbits of choice...
