

Big Sur Wildlife: A Folding Pocket Guide to Familiar Animals

By James Kavanagh

Waterford Press Ltd, United States, 2016. Pamphlet. Condition: New. Language: English . Brand New Book. One of the most varied and spectacular natural areas in California, Big Sur's pristine beaches and rich forests are teeming with unique wildlife including sea otters, elephant seals, California condors and hundreds of species of butterflies, birds, reptiles, amphibians and land mammals. This beautifully illustrated guide highlights over 140 familiar and unique species and includes a regional map of the parks, forests and sanctuaries in the region. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike.

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
