Harper Collins, 2017. Soft cover. Condition: New. 328pp. In 1952, W. Clement Stone and Napoleon Hill joined forces and philosophies. Stone added his Positive Mental Attitude (PMA) concept to Hill's principles, resulting in the classic book, *Success through a Positive Mental Attitude*. The two men spent the next ten years writing and lecturing about the story of success through PMA. Their formula was to become the foundation for virtually all modern motivational writing. *Believe and Achieve* explains exactly how you can apply the personal, intellectual, attitudinal and spiritual principles used by the likes of Andrew Carnegie, Henry Ford and F. W. Woolworth—as well as modern achievers like Larry King and Steve Jobs—to reach your goals. *Believe and Achieve* will be the first words in the next chapter of your life: the first of many chapters in which success is the theme.
