Clovercroft Publishing, 2014. Paperback. Condition: New. Language: English . Brand New Book. In her twenty-five years as a primary care internist, Dr. Sally Burbank has seen everything---lunatics, criminals, hypochondriacs, and even a Cocker spaniel! By popular demand, she has penned a collection of humorous and inspiring true stories to forever capture these memorable encounters. The antics of a demented octogenarian and a dimwitted patient named Bob will leave you laughing out loud. Her disastrous attempts to combine medicine with motherhood will reveal a new side to ladies in lab coats. The inane ICD-10 codes and decisions of insurance companies will leave you shaking your head in disgust. Stir in a wheelchair-bound, legally blind dialysis patient who insists on serving others until her last dying breath, a comatose leukemia patient miraculously healed, and an unfortunate soul doomed to chopping onions forty-hours a week, and you are guaranteed to laugh, cry, and tell your friends about this amazing new book. Hilarious cartoons and quotations relevant to each story add icing to the cake and make Patients I Will Never Forget a must-read for anyone who enjoyed All Creatures Great and Small.
