Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Subway Problem: An Address Delivered by William G. McAdoo, Esq. At the Sixth Annual Dinner Under the Auspices of the Board of Trustees of Plymouth Church The Subway Problem is not so intricate and complex as is generally supposed. It is, in fact, quite simple. The difficulty arises from the confusion of the public mind, which has been de?ected from the main issue by many extraneous considerations. If the essential facts can be put together in an easily comprehensible form, a real service will be rendered. In order to do this, the law governing the construction and operation of subways in New York ought first to be understood. Upon the Public Service Commission, and upon it alone, rests the duty of laying out and determining routes and of awarding contracts for construction. After this the Board of Estimate and Apportionment is charged with the duty of approving said contracts and of appropriating the meces sary money to carry them into effect. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
