R3volution Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From the back cover: Zombie Religion has captivated America.but reformation is coming.revival is coming.revolution is coming.one supernatural salvation at a time. Man-centered religion has redefined America. For nearly a century, it has recast the nation s character and culture.one individual at a time. For the sake of progress, seeker sensitivity, and man-centered love, truth has been abandoned, God has been emasculated, and rebels have been made to feel warm, fuzzy, and secure from the coming judgment. All in Jesus name, of course. The good news is that there is a supernatural solution to the darkness brought upon our culture by the false christs, gospels, and teachers of American Churchianity. Apathetic lives built upon apathetic doctrine, apathetic love, apathetic justice, apathetic grace, and apathetic truth always result from apathetic Christianity. Yet each and every one of these apathetic counterfeits can and will fall before the supernatural power of the whole, undiluted Gospel of Jesus Christ.if only we ll use it.
