THE RISE OF THE PAPAL STATES (JOVIAN PRESS) (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. WHOEVER has read the Gospel, knows that Jesus Christ founded no temporal power, no political sovereignty. He declares that his kingdom is not of this world; he charges his apostles not to confound the mission he gives them, with the power exercised by the princes of the earth. St. Peter and his colleagues are sent not to govern but to instruct and the authority with which they are clothed, consists only in the knowledge and the benefits they are to bestow. Faithful to confining themselves within the bounds of so pure an apostolat, far from erecting themselves into rivals of the civil power, they, on the contrary, proclaimed its independence and the sacredness of its rights: obedience to sovereigns is one of the first precepts of their pious morality. To resist governments is, they say, to offend the Ruler of the world, and take up arms against God himself. The successors of the apostles for a long time held the same language: they acknowledged no power superior to that of sovereigns but Divine Providence itself. They subjected to kings all the ministers of the altar, levites, pontiffs, evangelists, and even prophets. God alone was, immediately and without mediator, the only judge of kings; to him alone belonged their condemnation: the Church addressed to them only supplications or respectful advice. She exercised empire only through the medium of her virtues and possessed no other inheritance than that of faith. These are the very expressions of the holy fathers, not only during the three first centuries, but subsequent to Constantine, and even after the time of Charlemagne. Every one knows, that previous to Constantine, the Christian churches had been but individual associations, too...
