

The Common Sense Life: Tales from a Long Ago Forest

Filesize: 7.8 MB

Reviews

The best pdf i possibly go through. it was writtern quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Miss Sienna Fay Jr.)

THE COMMON SENSE LIFE: TALES FROM A LONG AGO FOREST

[DOWNLOAD PDF](#)

Scribes Valley Publishing Company, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Deprived of their land by the treachery of a colonial government, this is the story of Lenape Indians who clung tenaciously to their heritage and how the lessons they learned can help us now. This is not a history book, but the stories herein do provide glimpses into history whose lessons, if learned, can contribute toward a civil civilization as well as a genuinely worthwhile human life. The story of the Lenape points to a long, complex tradition of hospitality and assimilation in Lenape-hocking, which includes southeastern New York State, eastern Pennsylvania, New Jersey, and Delaware. The word Lenape means people. The name is symbolic of the kind of people they were, continually welcoming and assimilating newcomers and thereby creating through thousands of years the original melting-pot of civilization on the North American continent. A more specific name is Delawares, which is an English term for the river that runs through their ancient homeland, and a reminder of the place of origin for the people who are now living elsewhere. The Lenape were held in high regard by many other Indian nations. They were referred to as grandfathers, a term of respect implying not only their ancient status but their wisdom and spirituality. Referring to original documents, The Common Sense Life begins with Norse Sagas and Christopher Columbus and continues with highlights in the history of the people. In keeping with Lenape Tradition each chapter suggests wisdom that can be learned from their experiences and spirituality.
