DON T BEG FOR MERCY!

Trafford Publishing, Canada, 2006. Paperback. Book Condition: New. 251 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****. Throughout history, men have dominated women. This is not because men are more intelligent; not because of their superior sense of logic; and not because of their more highly developed inventive capabilities. It is solely due to their greater physical strength. - Bertrand Russell (Lord Russell). One of the world s greatest philosophers and libertarians. The basic theme is one of female retribution against extreme male cruelty. There are three individual stories - chapters 1, 2 and 4. The victims in the three stories come together - coincidentally - by virtue of their individual memberships in the same health and beauty club: The Aphrodite Health and Beauty Centre. They get to know one another quite well, and quite soon their extremely unpleasant experiences at the hands of their respective male wrongdoers come to light. They soon discover a common denominator in their experiences: that the men/youths concerned had all escaped any sort of punishment under the law or otherwise, for their extremely violent behaviour. So they decide, in view of this unacceptable state of affairs, to join forces to exact an appropriate form of retribution; this retribution will relate precisely to the nature of the acts of violence. In other words, a role-reversal form of punishment. When one of the group of friends unexpectedly inherits a vast fortune from a distant deceased relative and pledges it to their cause, all material restrictions are thereby lifted, and they proceed to create a very elaborate plan of revenge, (Ch. 6-9)....
