Paperback. Book Condition: New. Paperback. 294 pages. There are no ghosts in this story, and I dont believe in them anyway. But I do imagine what it would be like if he were here now. I imagine what Id say to him if I could talk to him, know him, or even be his friend. I have this vision of a boy whos really cool, and I like him so much better than all these kids around me. Its been like this ever since the night of the Sophomore Dance when we first heard that a boy from the next town over had died. That was the news that spread like an airborne sickness last May 5th. All of us in our prom dresses and tuxedos, shouting from limousine windows: Did you hear it Did you hear Some kid from Westfield was murdered tonight. In this novel, Ghost of a Boy, a high school Junior from wealthy Fairfield tells the story of her fascination with an unsolved murder in a neighboring town. When she crosses the tracks, she finds a history of twisted secrets and a cult-like group of friends protecting the boys troubled sister all just three miles away. Think of Juno narrating Donna Tartts The Secret History, Alice Sebolds The Lovely Bones, or Sue Monk Kidds The Secret Life of Bees. This item ships from multiple locations.
