By Stephanie Relfe

Sherrington House, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Why You Can Draw With Grids, Why this is Important It has been estimated that less than 5 of people can draw. To many people, the process of drawing seems mysterious and somehow beyond human understanding. This is a terrible and needless situation. This is like saying that before the Industrial Revolution, most people could not read or write, and so no one can ever learn to do so. Anyone who can hold a pencil and write legibly can learn to draw well, whether they are four years old or eighty years old. You just have to teach your brain how to move a pencil in the correct direction. This book will get you started. Don t think you can t do the exercises in this book because you can t draw ! That s like not learning the alphabet because you can t read, or not learning to count because you can t do math! DRAWING COMES BEFORE ART Most people think that drawing is art, but drawing is not art, although drawing does come before...
