Penguin Putnam Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Twin Peaks meets Stars Hollow in this paranormal suspense novel that will keep you on the edge of your seat! Aspen Quick has never really worried about how he's affecting people when he steals from them. But this summer he'll discover just how strong the Quick family magic is--and how far they'll go to keep their secrets safe. With a smart, arrogant protagonist, a sinister family tradition, and an ending you won't see coming, this is a fast-paced, twisty story about power, addiction, and deciding what kind of person you want to be, in a family that has the ability to control everything you are. \* Fast-paced and unpredictable, the plot seamlessly balances a summer romance with well-crafted paranormal suspense. A fresh and substantive story about family, love, and deciding who you want to be in the world. --Kirkus Reviews, starred review.
