

The Cambridge Biography of D. H. Lawrence 3 Volume Set

By John Worthen

CAMBRIDGE UNIV PR Feb 2014, 2014. Buch. Book Condition: Neu. 363x295x152 mm. Neuware - This magisterial biography of D. H. Lawrence, by three leading scholars, draws on an unprecedented range of documentary and oral sources to transform our understanding of one of the most influential writers of the twentieth century. The first volume describes Lawrence's upbringing, his years as a teacher, and his often troubled early relationships with women. The second volume covers the years 1912-22, as Lawrence forged a reputation as one of the greatest and most controversial writers of his time and revolutionised English fiction with *Sons and Lovers*, *The Rainbow* and *Women in Love*. The final volume chronicles Lawrence's travels in Ceylon, Australia, the USA and Mexico, his later literary career, his battle against censorship particularly over *Lady Chatterley's Lover*, and his ultimately unsuccessful struggle against tuberculosis. Lawrence is revealed as a complex, humorous and resolute man, grappling with the central problems of life and death. 2557 pp. Englisch.

Reviews

This composed publication is fantastic. I was able to comprehend everything using this composed e book. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Miss Ova Kuhn IV**

Without doubt, this is the very best operate by any writer. This is for all those who stante that there was not a well worth reading through. I discovered this pdf from my dad and i suggested this book to find out.
