Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.When Mike Southern first developed the Quick Guides, his goal was to provide short, complete lessons on a single subject that anyone could afford. And his readers responded, usually buying more than one of the titles with each purchase. Now, based on his readers feedback, he has created packs that combine two complementary Quick Guides, based on some of the most frequently-purchased combos, at an even greater savings over the individual book prices. The Tee-to-Green Pack begins with his ever-popular Stop Coming Over-the-Top, his simple approach to building a predictable swing. Based on feedback he received from readers he has helped through , the method has proven its effectiveness over and over. Paired with it is Accurate Iron Play, which will teach you the basics of hitting approach shots with every iron in your bag. You ll also learn the basics of hitting your wedges close, as well as how to control the distance and trajectory of your shots. The Tee-to-Green Pack will teach you the mechanics of shotmaking, so you can hit every club in your bag. and know that you ll be able to find those shots in playable positions on the course!.
