Hodder Stoughton General Division, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. It begins for Tom Fletcher with what looks like a very bloody accident in a farm machinery showroom, and reaches back into the past - his own and that of the local police force - before slamming into the present with all the force of the most up-to-date criminal power in the world. Crackling with secrets and surprises, packed with haunting landscapes and haunted characters, freighted with the hot, thundery atmosphere of a Cambridge summer and the inevitable paying-out of past betrayals, CORN DOLLS marks the arrival of a major new crime talent.
