Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s tough teaching our kids to be virtuous and honorable in a world where morality is measured on a sliding scale. This generation has grown up in a culture where compromise is the norm. Self-indulgence takes center stage; foul, abusive language and poor manners are accepted; traditional roles are scorned; morality is relative; virginity is optional; and fidelity is almost out of the question. Is it a wonder that our streets are filled with violence, immorality, addiction, and crime? Can we be surprised that the last few decades have been marked by broken families, abused children, teen pregnancy, gang violence, crime, out of control spending, and debt? Parents must help our children develop personal virtue, honor, a good reputation, and an unshakable faith that will sustain them. Lost Generation gives parents tools that will help them navigate through some of the difficulties of child rearing by teaching good habits based on values and principles that develop good character; discernment; and a sense of responsibility to self, family, community and the world.
