

The Wheels of the World: 300 Years of Irish Uilleann Pipers (Paperback)

Filesize: 4.1 MB

Reviews

Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Outline Press Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. One chanter, three drones, three regulators, thirteen keys, too many near-extinctions to mention and 300 years of heroes: that, with a frisson of fairies on moonlit knolls, is the Irish uilleann (ill-in) pipes. The Wheels Of The World presents an epic tale of triumph and survival, where the soulful heart of a nation has been kept alive across ages by a slender thread of guardians - blind men, eccentrics, self-aggrandisers, noble heroes, bloody-minded revivalists and at least three people compared to Jimi Hendrix. Uilleann piping is Ireland s equivalent to the story of the blues in America, save that here the trail of legends and lore is richer and deeper by far. It is the sound of 18th-century blues - a microtonal virtuoso machine wielded by misfits and geniuses, often one and the same. This is the story of a continuum, from John McSherry, a 21st-century icon, backwards in time through Paddy Keenan, Liam O Flynn, Finbar Furey, Seamus Ennis, Willie Clancy, Johnny Doran, Leo Rowsome and Patsy Touhey - at the dawn of recorded sound - and thence to find a litany of unrecorded legends before them. It is also a snapshot of professional Irish traditional musicians, after the gold rush of the late 20th century, keeping calm and carrying on.
