Brand New Book ***** Print on Demand *****.Going against the common misconception that lizards as pets are distant and aloof, bearded dragons are friendly and love being handled-in fact, in most respects, bearded dragons aren't your typical lizard. Hardy, sociable, and relatively low-maintenance, they're a fabulous pet for a first-time lizard owner, and can give you up to a decade of loving companionship. But how can you tell if a bearded dragon is the right animal for you? And once you get one-how do you care for it? This book will answer those questions and more, giving you an in-depth look at bearded dragon care and ownership, from where to find your new pet (and how to pick a healthy individual) to setting up the terrarium and formulating the perfect diet-and even giving you an introduction to breeding practices. Once you have it in the right home with a good basking light, regular care of a bearded dragon is surprisingly fun and easy.
