Pages Number: 148 Publisher: Hebei Education Publishing Club Pub. Date :2006-05. world-renowned Spring Series (Spring Series). American writer is tailored specifically for Asian students. careful adaptation of a simplified version of a classic English classics. Since the advent of popular. is a household name. with the growth of generations of English books. especially in South Korea after the publication of short-term performance record of selling one million books in the history of the Korean hot myth. The spring series published in China. is tailored specifically for Chinese students made different from the previous version intact after the introduction of the original translation of the books. but unlike some domestic rewrite the variation in levels of English books. Needless to say. the original introduction of the books there are many obvious advantages. but it was originally targeted for the use of native speakers of English learners or around the world. not specifically for the Chinese people and compiled. According to second language acquisition theory. learning a foreign language learners are often affected by the interference of native language. mother...
