## 12 PRINCIPLES OF SUCCESS FULFILLMENT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Success is the achievement of something desired, planned, or attempted. It occurs when we add the right amount of cream and sugar to our coffee, come across something interesting to watch, or find the person we want to spend our life with. Everyone has an idea of what success is, or what it means to them. But is success by itself enough? Can something be paired with success, creating a wonderful marriage of two important elements? The answer is yes, and the partner is fulfillment. While sometimes confused with success, fulfillment is more about purpose than achievement; more about a sense of peace than accomplishment; more about an inner contentment instead of a vehicle parked outside. Without fulfillment, we will always want more, like a person with no stomach signals eating at a buffet. Without fulfillment, we will ask, Is this all there is? Without fulfillment, there will be emotions and feelings of emptiness; thoughts and musings that something is missing. Simply put, fulfillment is a level of immense satisfaction, resulting from finding the purpose or reason that something or someone is here. Fulfillment will easily make you feel fully alive, and will cause one of those, This is what life is about! kinds of experiences. Success does occur when we find the person we want to spend our life with; but fulfillment happens when that person says Yes! to our proposal. It isn't difficult to find great books, magazines or movies about success. Entire industries have been built around success. Not so for fulfillment. Perhaps fulfillment is harder to grasp, doesn't sell as well, or even worse, we are deluded into thinking that success is all that...
