THE SATYRICON (PAPERBACK)

[DOWNLOAD](#)

Oxford University Press, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. The language is refined, the smile not grave, My honest tongue recounts how men behave. The Satyricon is the most celebrated work of fiction to have survived from the ancient world. It can be described as the first realistic novel, the father of the picaresque genre, and recounts the sleazy progress of a pair of literature scholars as they wander through the cities of the southern Mediterranean. En route they encounter type-figures the author wickedly satirizes - a teacher in higher education, a libidinous priest, a vulgar freedman turned millionaire, a manic poet, a superstitious sea-captain and a femme fatale. The novel has fascinated the literary world of Europe ever since, evoking praise for its elegant and hilarious description of the underside of Roman society, but also condemnation for some of its lewder subjects. This new and lively translation by P.G. Walsh captures the gaiety of the original, and the edition is supplemented by his superb Introduction giving an account of the plot, the various scholarly interpretations and the later history of its literary influence. There are also extensive and detailed notes which serve to illuminate the reading of a text rich in literary in-jokes and allusion. ABOUT THE SERIES: For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford s commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
