Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.First two books of Vic Challenger series in one volume! Vic: Time Doesn't Matter and Vic: Mongol. A merciless, agonizing memory can sometimes break a person and render them incapable of facing even the commonplace without being unnerved. Other times it can endow a person with near super human ability to take action in even the most savage of circumstances. Vic's painful memory from a thousand generations past has emboldened her with the daring and determination to embark on an epic quest that may last a lifetime or on any day could bring her life to a brutal end. Yet she is prepared to challenge any peril and venture into any danger. She has learned from her mysterious avatar Nat-ul, even when you face the gravest of threats, you need not be brave, you just need to do what needs done. And thus she lives her life! Often she helps others out of unusually dangerous situations but foremost and unrelentingly she forever searches for what means more to her than all else!
