Reviews

Absolutely essential go through publication. This can be for all who statte there was not a worthy of looking at. Its been printed in a remarkably basic way and it is just right after i finished reading this book through which in fact altered me, modify the way i think.
(Dr. Haskell Osinski)

CROISSANCE DURABLE ET NOUVELLES ENERGIES

Grin Verlag. Paperback. Condition: New. 28 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. Seminar paper de l'annee 2008 dans le domaine Gestion d'entreprise - Divers, note: 1, 2, Reims Management School, langue: Franais, rsum: Les lites conomiques et politiques du monde entier ont compris il y a longtemps le fort lien qui unit croissance conomique et sources de richesse, leur exploitation, leur quantite. . . La proccupation propos de ces sources de richesse touche le monde occidental dans les annees 1970 o est commandee une etude sur l'avenir de la croissance en fonction du niveau de ressources naturelles present sur le globe: cest le modele du club de Rome. Cette manifestation d'inquietude est la premiere d'une longue serie: on assistera successivement a la conference de Stockholm, l'adoption du rapport Notre Avenir Tous ensemble ou encore le Sommet de la Terre Rio. Toutes les reflexions issues de ces vnements ont permis d'arriver au debut des annees 1990 a la definition d'un nouveau modele de developpement: le developpement durable est un developpement qui repond aux besoins des generations du present sans compromettre la capacite des generations futures a repondre aux leurs. Evidemment, dans la notion de developpement durable est entre autres contenu le concept de croissance: les tats actuels doivent soutenir un taux de croissance suffisant pour faire face aux mutations conomiques et politiques en marche, mais doivent aussi penser au taux de croissance des generations futures, tout ceci dans un contexte d'economie mondialisee. Cela revient a dire que l'effort doit etre mondialisee. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
