*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.*

Square Fish, United States, 2011. Paperback. Book Condition: New. Reprint. 188 x 130 mm. Language: English . Brand New Book. There s more to me than most people see. Twelve-year-old Willow would rather blend in than stick out. But she still wants to be seen for who she is. She wants her parents to notice that she is growing up. She wants her best friend to like her better than she likes a certain boy. She wants, more than anything, to mush the dogs out to her grandparents house, by herself, with Roxy in the lead. But sometimes when it s just you, one mistake can have frightening consequences . . . And when Willow stumbles, it takes a surprising group of friends to help her make things right again.Using diamond-shaped poems inspired by forms found in polished diamond willow sticks, Helen Frost tells the moving story of Willow and her family. Hidden messages within each diamond carry the reader further, into feelings Willow doesn t reveal even to herself. Diamond Willow is a 2009 Bank Street - Best Children s Book of the Year.
