Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book. We loved to run around with just a pair of shorts on that fit low enough to show off our belly buttons. He had an innie and I had an outie. Not knowing what this was all about, I was proud to stick my outie out whenever someone came visiting. I have had plenty of butt swats for this, but who cares? I was just a rotten, shirtless, and barefooted kid who liked to start trouble and blame it on someone else.
