Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

SIMON SCHUSTER, United States, 2009. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Jeremy s whole life changed the day his mother left. When his mother leaves with the father of his worst enemy at school, nine-year-old Jeremy seeks to make sense of her abandonment. He throws himself into recreating the Book of Birds, a collection of drawings that his mother took with her on the day she left. While his father fights his own depression and his sister distances herself from their lives, Jeremy turns wholeheartedly to nature, and finds solace in the quiet comfort of drawing. In this novel, James Prosek tells Jeremy s story without blame, without self-pity, and without excuses. The Day My Mother Left should be read by anyone who has gone through the pain of losing a parent, and by anyone who wants to meet Jeremy, a boy who can see inside himself the person he wants to become.
