Profiling the Criminal Mind is, as the subtitle indicates, is a text and reference on behavioral science and criminal investigative analysis for investigators, forensic scientists, prosecutors, behavioral scientists, and academics. This compilation combines crime scene forensics and experience with behavioral science to get into the criminal s mind and interpret crime scenes. A practical guide to applied criminology, the author brings together his years of experience as a detective/investigator and professor of criminology and criminal justice to outline an inter-disciplinary approach to analyzing crime scenes and crime scene behavior. Multi-discipline sleuths and researchers into the criminal mind will find this combined approach to analysis a valuable strategic approach to the study of violent criminal behavior.
