Melrose Abbey: Notes Descriptive and Historical (Classic Reprint) (Hardback)

By M W Fairbairn

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Melrose Abbey: Notes Descriptive and Historical From the west entrance to the abbey until the rood screen is reached, little of the original structure remains, excepting the side chapels, which formed the outer portion of the south aisle. The first three of these chapels have been roofless for generations, and the separating walls have entirely disappeared. The roofs over the fourth and fifth are still entire. What remains of the rood screen, crosses the nave on a line with the division of the fifth and sixth chapels, and from thence to the transept the church is roofed quite over from north to south. The aisles, north and south, are covered by the original groined roof. The roof over the nave and the unsightly counter-fort on the north side, reaching to and supporting the roof, date from 1618, when that part of the ruin was fitted up as the Parish Church. It continued to be used as such until 1810. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is...

Reviews

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.
-- **Mariela Stroman**

I just started out reading this ebook. I could comprehend every little thing out of this written e book. I am pleased to inform you that this is actually the very best publication i have read through inside my personal life and could be the best ebook for ever.
