IMPROVING PROFIT

Book Condition: New. Publisher/Verlag: Springer, Berlin | Using Contribution Metrics to Boost the Bottom Line | Business of all sizes have a problem: How do you know-in real time-whether you are earning the profit you need to grow or even just stay in business? And which products or services are doing the "heavy lifting" in contributing to profit? Financial statements tell only part of the story. They are backward looking, for one thing, and they generally show results only in...
