Brand New Book ***** Print on Demand *****.Jacob As a rule, men don t grow up believing in a happily ever after. We don t believe in meeting the love of our lives; or the white picket fence, and 2.5 children. Every man thinks that those stupid dreams or fantasies are just nonexistent shit until it happens to them. We should have been forewarned. I wish I was prepared for someone to appear in my life and change all my priorities. I suddenly wanted that fence and children. The part of meeting the love of my life became very real, but I wasn t ready for suddenly losing it all, and my life plummeting into this shithole forever. The heartbreak of losing your soulmate is one of the worst pains you will ever live with. I should campaign and warn the young people. Vaccinate against love because if you lose it, you could lose yourself for the rest of your life. The burden on your back will forever mark you and wither away your soul, darkening your days and the rest of your natural life. This isn t false advertisement or a dramatic display of one bitter soul. Pria I fought by my mother s side until her last breath, and tried to help my father until his last memories dissipated. My sister is the last one standing, but her life is a miracle that can end at any given moment. All my life I ve never been alone, but always felt lonely. Today, my options on how to live my life are endless, yet my heart and my best friend limit them. Stay in Seattle, close to the one person that will never let me inside...
