To imagine that Social-Democracy participates in the Provisional Government, playing a leading role in the period of revolutionary democratic reconstruction, insisting on the most radical reforms and all the time enjoying the aid and support of the organized proletariat, -only to step aside when the democratic program is put into operation, to leave the completed building at the disposal of the bourgeois parties and thus to open an era of parliamentary politics where Social-Democracy forms only a party of opposition, -to imagine this would mean to compromise the very idea of a labor government. Moreover, once the representatives of the proletariat enter the government, not as powerless hostages, but as a leading force, the divide between the minimum-program and the maximum-program automatically disappears, [.]
