In the final days of World War II, an Irish soldier discovers a cache of artifacts in an Austrian cave that threatens to expose long-buried secrets that threaten the very foundations of the Catholic Church secrets that prove the Druids of Ireland did not die out; they were systematically exterminated in cold blood. However, the truth stays buried within the walls of the soldier s home for another fifty years before it is brought to light by his son, a modern-day proponent of the Druids enlightened, pacifist culture. Armed with the evidence and the conviction to expose the Church s conspiracy, the soldier s son, a Supreme Court justice, forms an unlikely alliance with a healer, a linguist, and a Boston attorney to bring the Vatican to trial. As the action races from the corridors of the White House and the United States Supreme Court to Dublin s halls of academia and the secretive back passages in Rome, the Church will stop at nothing to silence the voices of the past.
