This book will keep you excited never giving you a chance for boredom truly questioning your faith and the work you put into that faith. While reading this book you will become one of those who think outside the box never to be trapped inside the box again. This book will make you think and examine your thoughts with an open yet critical mind. All of your preconceived notions and or prejudices must be abandon by your inquiry of the truth, no more excuses, no more lies. I urge the reader to approach with caution this book and any other book as only a guide and or pointer to that which you seek.
