Reviews

The best ebook i possibly read. I have go through and i also am sure that i am going to planning to read once again again later on. Its been printed in an extremely simple way which is simply after i finished reading through this ebook by which basically changed me, alter the way i really believe.

(Telly Hessel)

THE EYE OF SPIRIT (PAPERBACK)

Shambhala Publications Inc, United States, 2001. Paperback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. In this groundbreaking book, Ken Wilber uses his widely acknowledged spectrum of consciousness model to completely rewrite our approach to such important fields as psychology, spirituality, anthropology, cultural studies, art and literary theory, ecology, feminism, and planetary transformation. What would each of those fields look like if we wholeheartedly accepted the existence of not just body and mind but also soul and spirit? In a stunning display of integrative embrace, Wilber weaves these various fragments together into a coherent and compelling vision for the modern and postmodern world.
